Summary:

I have been working as a lighting cameraman for over 20 years now, firstly staff at Channel Four TV based at Right to Reply for 6 years, then an American facilities company and have been freelance since the end of 1998. I am skilled in all aspects of shooting for television from PSC, Drama, Documentary, OB, live and studio. I have shot in all conceivable styles and locations all over the world. I am familiar with all cameras and more recently have been using the **RED** camera and my own **Canon 5D MKII**, the Sony **F900R**, Sony **EX1/3** and Panasonic's **Varicam** along with a **Pro35** and 35mm prime lenses. I am also familiar with tracking vehicles (including high speed work), dolly and focus track, motion control and aerial filming.
